Admission in Masters of Sciences in Laboratory Technology (MSLT) and Postgraduation Diploma in Laboratory Technology (PGDLT) Courses under the University of Dhaka

The Division of Basic Sciences of the Bangladesh Institute of Health Sciences (BIHS) is announcing the admission of the 1st Batch of students in MSLT (One Year) and PGDLT (One Year) Courses (Academic year July 2011 - June 2012) under the Faculty of Engineering & Technology of the University of Dhaka.

BIHS offers some unique opportunities

- Degree to be given by the University of Dhaka which is widely recognized all over the world;
- The first Institute in the country to offer any postgraduate Course in Laboratory Technology;
- The Institute is linked to the BIHS Hospital - the highly advanced Apex Hospital of the Health Care Development Project (HCDP) established under Bangladesh-Netherlands joint cooperation;
- Full-time, nonpracticing Faculties as well as rich multinational Guest Faculties coming from renowned Universities/Institutes from home and abroad;
- Availability of large number of primary to tertiary health care facilities of the Diabetic Association of Bangladesh, spread all over the country, which gives unparalleled opportunity of exposure to laboratories at various levels (a vital requirement of effective education on laboratory technology);
- Intensive and research based programs having possibility of collaborative studies with advanced institutes of the world.
- Possibility of weekend and evening classes.

Admission requirements for MS in Laboratory Technology

a. BSc (Hons) in any Chemical & Biological Sciences or laboratory technology from a recognized University; or
b. BSc (pass) degree with Chemistry & Biology as a main subject with Postgraduate Diploma in Laboratory Technology (PGDLT);

Admission requirements for PGD in Laboratory Technology

a. BSc in Health Technology (Laboratory) or its equivalent degree from a recognized University; or
b. BSc (Hons) in any Biological Sciences or Laboratory Technology; or
c. Candidates with BSc (pass) degree having Chemistry and Biology as a main subject and one year working experience in hospitals/health centers/biomedical organizations/health related program or projects.

Age limit on the last date of Application is 45 years for both courses.

Foreign students with required qualification will be eligible to apply for both courses

Interested candidates are requested to submit their Application and CV together with certified copies of all relevant documents and a recent passport size photograph. The course sought should be clearly marked on the envelop and sent to the Director, BIHS. Application through e-mail (dirbihs@bihs.edu.bd) will be accepted. The last date for submission of application is 12 November 2011. e-mail: dirbihs@bihs.edu.bd
